**DECLARATION OF KEITH MUNCY IN SUPPORT OF
THE DEBTORS' CHAPTER 11 PETITIONS AND FIRST DAY MOTIONS**

I, Keith Muncy, hereby declare under penalty of perjury:

1. I am the Chief Financial Officer of each of the above-captioned debtors and debtors in possession (together, the “Debtors”). I have served as Chief Financial Officer since January 2008. Prior to working at Light Tower Rentals, Inc., I served as Chief Financial Officer of VOXCOM Security Systems, a Toronto Stock Exchange-listed company, for over seven years. I also worked as a Senior Manager at PricewaterhouseCoopers, where I oversaw issues relating to financial reporting, taxation, and corporate structuring. I am a Chartered Accountant and a CPA.

2. As the Debtors’ CFO, my duties include, among other things: (i) participating in key decisions as a member of the executive management team; (ii) managing the accounting, tax, and treasury departments; (iii) developing financial and tax strategies; (iv) monitoring and directing the implementation of strategic business plans; (v) monitoring cash balances and forecasts; and (vi) overseeing the production and issuance of financial information. Accordingly,

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: Light Tower Rentals, Inc. (4893); LTR Holdco, Inc. (8813); LTR Shelters, Inc. (5396); and LTR Investco, Inc. (3819). The location of the Debtors’ service address is: 2330 E. Interstate 20 S. Service Road, Odessa, Texas 79766.

I am intimately familiar with the Debtors' day-to-day operations, business and financial affairs, and books and records. I submit this declaration (the "Declaration") to assist the Court and parties in interest in understanding the circumstances that compelled the commencement of these chapter 11 cases and in support of: (a) the Debtors' petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") filed on the date hereof (the "Petition Date"); and (b) the emergency relief that the Debtors have requested from the Court pursuant to the motions and applications described herein (collectively, the "First Day Motions").

3. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, my discussions with the Debtors' management team and advisors, including the Debtors' employees working under my supervision, my review of relevant documents and information concerning the Debtors' operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge. If called as a witness, I could and would testify competently to the facts set forth in this Declaration. I am over the age of 18 and authorized to submit this Declaration on behalf of the Debtors.

I. Introduction²

A. Brief Background

4. The Debtors and their non-Debtor affiliates (collectively, "LTR") are a diversified specialty equipment rental and services company focused on the oil and gas sector. LTR offers a diverse portfolio of surface rental equipment that can provide customers with a specific product, or when combined with other products, a comprehensive wellsite rental solution. LTR's equipment rental fleet includes power generation units, fluid handling equipment, light towers,

heaters, trailers and other equipment. LTR's current service operations include equipment delivery and set-up, fuel and trucking.

B. A Comprehensive, Consensual Restructuring

5. In the fall of 2014, oil prices plummeted due principally to global oversupply and have yet to recover—falling from over \$100 Bbl³ to below \$27 per Bbl in February 2016 and currently trading at approximately \$47 per Bbl. This came on the heels of a decline in natural gas prices, which, in response to continued growth in domestic production and unseasonably mild weather, fell below \$1.70 per MMBtu⁴ in December 2015 and are currently trading at approximately \$2.86 per MMBtu.

6. This unanticipated and prolonged decline in oil and natural gas commodity prices triggered a deep transformation in the oil and gas industry, and led to reduced drilling and completion activity. The recent wave of large E&P company chapter 11 filings, many of which have devolved into protracted and heavily litigated proceedings, has only compounded the distress in the industry. And while it took some time for this economic turmoil to reach the Debtors (as service providers to the producers), the impact has been swift and dramatic.

7. Against this backdrop, the Debtors and their advisors have been working diligently with primary stakeholders to achieve a consensual balance-sheet restructuring that right-sizes their capital structure, provides unsecured creditors and other classes with full recoveries, preserves jobs, and facilitates a prompt emergence from chapter 11. Upon emergence, the Reorganized Debtors will be well-positioned to capitalize on their attractive asset base, key relationships, and strong national presence.

³ "Bbl," or "barrel," is a unit of volume for crude oil and petroleum products. One bbl equals approximately 42 U.S. gallons.

⁴ "MMBtu" is a unit of measurement meaning one million British thermal units.

8. The terms of this comprehensive restructuring are embodied in a restructuring support agreement, dated as of August 8, 2016 (the “Restructuring Support Agreement” or “RSA”), a copy of which is attached as **Exhibit B**. The Debtors entered into the Restructuring Support Agreement with⁵ (i) holders of more than 80% of the aggregate outstanding principal amount of the \$330 million 8.125% senior secured notes issued by Light Tower Rentals, Inc. (comprising the “Noteholder Claims” under the Plan) (ii) all of the holders of issued and outstanding Investco preferred stock (defined as “Investco Preferred Interests” under the Plan), (iii) all of the holders of convertible Investco preferred stock (defined as “Investco Convertible Preferred Interests” under the Plan), and (iv) approximately 90.1% of the holders of the issued and outstanding Investco common stock (defined as “Investco Common Interests” under the Plan) (collectively, the “Restructuring Support Parties”). Setting aside classes of claims that are set to be paid in full under the Plan, nearly the Debtors’ entire capital structure was involved in the negotiations of, and eventually signed, the RSA.

9. To implement the terms of the RSA, the Debtors commenced solicitation of a prepackaged chapter 11 plan (the “Plan”) on August 22, 2016. The voting deadline on the Plan is currently set for September 20, 2016. The parties entitled to vote in such solicitation are the holders of the Noteholder Claims, the holders of the Investco Preferred Interests, and the holders of the Investco Convertible Preferred Interests.

10. The Plan contemplates a swift restructuring by which the Debtors will eliminate substantially all of their funded debt by exchanging the approximately \$345.8 million in Noteholder Claims for 100% of the reorganized common equity (subject to dilution by warrants provided to the holders of the Investco Preferred Interests and the Investco Convertible Preferred

⁵ The Debtors’ capital structure is described in more detail below in Section I.D.

Interests, and the management incentive plan) and \$30 million in new notes. The key elements and benefits of the Plan include, without limitation, the following:

- Each holder of an allowed Noteholder Claim shall receive (i) its pro rata share of 100% of the Reorganized Debtors' equity (subject to dilution by the management incentive plan and certain equity warrants) and (ii) its pro rata share of new senior secured notes issued by the Reorganized Debtors in the aggregate principal amount of \$30 million and bearing an annual interest rate of 10% per annum, payable in kind or in cash (as more fully described in Article III.B of the Plan);
- Holders of allowed General Unsecured Claims, including trade vendors, suppliers, and customers, will not be affected by the filing of the Chapter 11 cases and, subject to Court approval, are anticipated to be paid in full in the ordinary course of business during the pendency of the Chapter 11 cases or reinstated and left unimpaired under the Plan according to their terms;
- All allowed Administrative Claims, Priority Tax Claims, Other Priority Claims, and Other Secured Claims will be paid in full in cash or otherwise satisfied in accordance with the Bankruptcy Code;
- Existing Investco Convertible Preferred Interests will be canceled, released, and extinguished as of the Effective Date, and will be of no further force or effect, and each holder of Investco Convertible Preferred Interests shall receive its pro rata share of certain equity warrants (as more fully described in Article IV.C of the Plan);
- Existing Investco Preferred Interests will be canceled, released, and extinguished as of the Effective Date, and will be of no further force or effect, and each holder of Investco Preferred Interests shall receive its pro rata share of management warrants, issued on the same terms (including vesting) as the management incentive plan, representing New LTR Holdings Interests constituting 1.0% of the total equity of New LTR Holdings (as more fully described in Article IV.D of the Plan);
- Existing Investco Common Interests will be canceled, released, and extinguished as of the Effective Date, and will be of no further force or effect, and holders of Investco Common Interests will not receive any distribution on account of such interests;
- The Debtors plan to assume all unexpired executory contracts and leases, with the possible exception of certain leases that may be rejected; and
- Prompt emergence from chapter 11.

11. As part of the compromises that resulted from these hard-fought negotiations, the Plan provides for a "Debtor Release" and a "Non-Debtor Release," as well as certain exculpation, discharge, and injunction provisions that the Debtors believe are appropriate under

the circumstances.⁶ These release and exculpation provisions were an integral component of the nearly-universal consensus and compromise achieved by the RSA and embodied in the Plan. Litigation with any of the Released Parties (as defined under the Plan) could greatly increase the time and expense associated with the chapter 11 cases—and the efforts of the Released Parties are essential to the Debtors’ ability to efficiently proceed to confirmation of the Plan on what is expected to be a largely uncontested basis.

12. Consummation of this restructuring will preserve the Debtors’ value as a going concern, deleverage the Debtors’ balance sheet by approximately 90 percent, leave general unsecured creditors unimpaired, and otherwise has support from nearly all of the Debtors’ stakeholders. This result represents a significant achievement against a challenging market backdrop and will, if all goes as planned, facilitate the Debtors emergence from chapter 11 in less than two months.

13. The Debtors believe that the restructuring embodied in the RSA and Plan gives them the best opportunity to withstand current adverse market conditions, maintain adequate liquidity for their operations going forward, avoid an enterprise-wide, piecemeal liquidation, and maximize value for the benefit of their stakeholders. As described below, given the Debtors’ core strengths, including the experience of their team, the strategic location of their assets, and their ability to pursue growth opportunities, the Debtors are confident that they can implement the terms of their proposed restructuring and ensure their long-term viability.

C. The Debtors’ Operational and Corporate History

14. Since its formation in 1994, LTR has expanded its product and service offerings and positioned itself as a nationally recognized brand operating a well-maintained fleet of rental

⁶ See generally Plan Art. VIII.

equipment in key U.S. oil and gas producing regions. LTR has a national network of facilities with a highly trained support staff. Each major branch location is staffed with mechanics, technicians, service staff, and field-level salespeople equipped to respond to customer requests in a timely manner. In total, LTR currently has 258 employees.

15. LTR's major operating areas (basins) include the Permian, Eagle Ford, Bakken, Marcellus, Eaglebine / Eagle Ford East, Barnett, Fayetteville, Haynesville, Granite Wash and Woodford basins. The Permian basin, one of the highest-producing oil and gas regions in the United States, is LTR's largest revenue generating operating area with a favorable mix of equipment rental and service revenue from well drilling, completion, and production.

16. Coinciding with the energy market recovery following the overall industry downturn in 2009, the Company embarked on an aggressive growth program (including both organic growth and acquisitions). Organic growth included geographic expansion into new basins, the addition of new locations in the basins which the Company already had a presence and the growth of existing locations in which the company was already operating. In addition to the demand for new rental equipment for those expansion locations, the Company was also experiencing increased demand for its equipment in those basins that it already had an established presence. To meet that demand, the Company recommenced the reinvestment of all its free cash flow into rental equipment and supporting operations. Combined spending on property, plant and equipment in the fiscal years of 2012 to 2015 inclusive amounted to \$282 million. During that time, the Company also increased its borrowings to provide additional cash resources to fund additional property plant and equipment purchases that were unable to be funded by the Company's own free cash flows.

17. On December 27, 2012, LTR purchased 100% of the outstanding stock of Wellsite Leasing, Inc., ("Wellsite") an oilfield equipment rental company, and 100% of the outstanding membership interests of On Site Water, LLC, ("On Site") an oilfield water transfer company. Both companies were headquartered in Dickinson, North Dakota and had additional locations in Watford City, North Dakota, Stanley, North Dakota and Minot, North Dakota. These acquisitions were made for the purpose of increasing LTR's rental base in the North Dakota area with an expanded rental fleet, additional customer relationships and experienced regional management. As a result, their assets and operations were rolled into LTR's existing North Dakota branch operations. The Debtors recently dissolved the legal entities of Wellsite and On Site as those legal entities have been dormant since the acquisition.

18. On January 10, 2014, LTR signed a purchase agreement to acquire certain assets of Riverside Rentals, LLP ("River Rentals"), a rental equipment company in the oil and gas industry, with operations in Williston, Northern Dakota for \$3.6 million. This acquisition was made to broaden LTR's presence in the North Dakota and the Montana area with additional customer relationships and a new satellite branch location in Williston, North Dakota. Those acquired assets were incorporated into LTR's existing fleet and the Williston, North Dakota operations was added as a satellite branch to LTR's existing North Dakota branch operations.

19. On September 25, 2015, LTR entered into a short-term loan receivable with Total Operations and Production Services of Midland, LLC. ("TOPS Midland") in which TOPS Midland borrowed \$4,400,000 from LTR with interest accruing at 6% per year on the balance outstanding and payable upon maturity. The loan is collateralized by TOPS Midland's assets and matures the earlier of (i) thirty days after written demand for payment is given by LTR to

TOPS Midland and (ii) December 31, 2016. As of June 30, 2016, the loan principal and interest owed to LTR was approximately \$4.56 million.

D. The Debtors' Corporate and Capital Structure

20. The chart below depicts a condensed summary of the Debtors' rather straightforward organizational structure:

21. There are four Debtor entities: (i) LTR Investco, Inc. (“Investco”); (ii) LTR Holdco, Inc. (“Holdco”); (iii) Light Tower Rentals, Inc. (“Light Tower Rentals”); and (iv) LTR Shelters, Inc. (“Shelters”). Investco is the top-level holding company, and it directly owns 100% of Holdco. Holdco directly owns 100% of Light Tower Rentals, and Light Tower Rentals directly owns 100% of Shelters.

22. The Debtors' only current operating company is Light Tower Rentals. Shelters was active until late 2014, but has not had any operations since then. Light Tower Rentals is also the primary obligor of the \$330 million in aggregate principal amount of the 8.125% senior secured notes (the “Old Notes”), which constitutes all of the Debtors' outstanding funded debt

obligations. Holdco and Shelters (but not Investco) are guarantors of Light Tower Rentals' obligations under the 8.125% senior secured notes.

23. The Debtors also have two non-Debtor affiliates, LTR Holdco 2, Inc. and Compressco, Inc., which are shell corporations without any assets or liabilities and are not depicted in the chart above. These corporations were formed in anticipation of certain operations and/or potential acquisitions, but they were ultimately never utilized and their stock was never issued and are in the process of being dissolved under state law. Further, the Debtors recently dissolved Wellsite and On Site, so these entities are also not depicted in the chart above.

24. As with the corporate structure, LTR's capital structure is relatively simple: (i) a now-terminated revolving credit facility that was completely undrawn; (ii) \$330 million of senior secured notes; (iii) two issuances of preferred stock; and (iv) common equity.

a. **The ABL Facility**

25. On July 21, 2014, LTR entered into an ABL Facility for borrowings up to the lesser of (a) \$30 million and (b) a borrowing base of 85% of eligible receivables of LTR less reserves. The ABL Facility also provided for an uncommitted incremental facility of up to \$12 million. The ABL Facility was secured by a first lien charge over specific existing and future assets of LTR, consisting namely of accounts receivables and deposit and collection accounts; and a second lien charge over all other existing and future property assets of LTR. Interest rates on any amounts drawn under the ABL Facility equaled either (a) prime rate plus an applicable margin of 0.75% to 1.25% or (b) the Eurodollar rate for the selected interest period plus an applicable margin of 1.75% to 2.25%. LTR also paid a commitment fee equal to 0.375% to 0.50% per annum on the unused portion of the ABL Facility. The Debtors terminated the ABL Facility on August 26, 2016, just prior to the Petition Date.

b. The Old Notes

26. The remaining funded debt is \$330 million of 8.125% senior secured notes due 2019 (as used herein, the “Old Notes”) under that certain Indenture (the “Old Notes Indenture”), dated July 21, 2014, by and among Light Tower Rentals, Inc., as issuer, LTR Holdco, Inc. and LTR Shelters, Inc. as guarantors party thereto (the “Old Notes Guarantors”), and The Bank of New York Mellon Trust Company, N.A. as trustee and collateral agent. The Old Notes bear an annual coupon of 8.125%, which is payable on February 1 and August 1 of each year. The Old Notes mature on August 1, 2019 with all principal paid at maturity.

27. The proceeds of the Old Notes were used to (i) fund a distribution to LTR’s equity holders, (ii) to permanently repay the approximately \$107 million in borrowings under an existing credit facility, (iii) to pay related transaction fees and expenses, and (iv) for general corporate purposes. At the time the Old Notes were issued, oil prices were expected to remain strong and, as a result, were expected to lead to continued North American shale development. Further, shale opportunities had driven the return of majors, including Exxon Mobil, Shell, BP, Chevron, and Conoco, back to the U.S. onshore market, contributing to robust capital spending in the E&P sphere.

28. LTR had an interest payment of approximately \$13.4 million due under the Old Notes Indenture on August 1, 2016, which it did not pay. The Old Notes Indenture provides a 30-day grace period for LTR to make this interest payment. That grace period expires on August 31, 2016.

c. Preferred and Common Stock

29. In addition to its funded debt, LTR Investco, Inc. has two types of preferred stock issued and outstanding, including (a) 24,175,941 shares of Series A Convertible Preferred Stock

(the “Investco Preferred Convertible Interests” under the Plan) and (b) 300,000 shares of Series A Senior Preferred Stock (the “Investco Preferred Interests” under the Plan). The authorized capital of LTR Investco, Inc. also consists of 150 million shares of common stock, of which 31,251,958 shares of common stock are issued and outstanding (the “Investco Common Interests” under the Plan). Information regarding the preferred and common stock voting rights, dividends, liquidation rights, and conversion rights can be seen in the table below.

	Voting Rights	Dividends	Liquidation Rights	Conversion Rights
Common Stock	One vote for each share.	May be declared and paid from funds available and when determined by the Investco Board of Directors.	Holders will be entitled to receive all assets available for distribution to its shareholders, subject to outstanding Investco Preferred Stock.	N/A
Series A Senior Preferred	None.	Equal to the product of (x) five percent (5.00%) multiplied by (y) a fraction, the numerator of which is the total number of shares of Senior A Preferred Stock shares outstanding and the denominator of which is the total authorized number of shares of Series A Preferred Stock, multiplied by (z) the aggregate of all dividends to be paid on the Common Stock and all series of Preferred Stock entitled to dividends as and when declared by the Board of Directors.	Holders will be entitled to be paid out of all assets available for distribution prior to any payment to holders of Series A Convertible Preferred Stock and Common Stock in an amount equal to the product of (x) five percent (5.00%) multiplied by (y) a fraction, the numerator of which is the total number of shares of Senior A Preferred Stock shares outstanding and the denominator of which is the total authorized number of shares of Series A Preferred Stock, multiplied by (z) all assets of the Corporation available for distribution plus any declared but unpaid dividends on shares of Series A Senior Preferred Stock.	N/A
Series A Convertible Preferred	Votes equal to the number of whole shares of Common Stock into which the shares of Series A Convertible Preferred Stock could be converted.	Holders of Series A Preferred Stock are entitled to receive dividends equal to those paid on the Common Stock.	Following payment to the Series A Senior Preferred holders, holders shall be entitled to an amount equal to the greater of (i) \$4.036 per share (minus Indemnification Claims) plus declared but unpaid dividends and (ii) such amount per share as would have been payable had all the shares been converted into Common Stock.	Each share of Series A Preferred Stock shall be convertible into one share of Common Stock.

d. Debtors' Liquidity Position

30. The Debtors' cash on hand as of the Petition Date is \$19.2 million. The Debtors have requested authority to use cash collateral subject to certain specified conditions. If such relief is granted, the Debtors believe that the cash available to them during the reorganization will provide sufficient liquidity to support their business operations during the restructuring process. The primary uses of cash have been to finance the operating business, service indebtedness, and fund capital expenditures. During these cases, cash will only be needed to finance operations and restructuring costs. The primary operating cash requirements are personnel costs, facility costs, insurance, equipment repairs, re-rentals, and taxes.

II. The Circumstances Leading to these Chapter 11 Cases

A. Market Decline

31. As noted above, the Debtors' businesses have been under significant pressure from macroeconomic forces beyond their control. Rig counts, a common indicator of new upstream drilling activity, are down nearly 60% over the past year. As demonstrated in the chart below,⁷ the price of crude oil per barrel has declined from \$105.54 in June 2014 to \$40.19 as of August 2016. Oil sank to a low of \$28.50 in January 2016, the lowest recorded price in almost 15 years.

⁷ The chart represents the historical monthly West Texas Intermediate (WTI or NYMEX) crude oil price per barrel. Prices are adjusted for inflation.

32. As a result of this decline in commodity prices, production became uneconomical and numerous upstream producers suspended drilling activities entirely. Indeed, several E&P companies have been forced to file for chapter 11 protection since the downturn in commodities prices. A growing number of other similarly situated companies have defaulted on their debt obligations, negotiated amendments or covenant relief with creditors to avoid defaulting, or have effectuated out-of-court restructurings.

33. As a wellsite service solution and rental equipment provider to E&P companies, LTR's fate is intertwined with the fate of the E&P companies it services as well as the oil and gas industry as a whole. Utilization rates, which measure the number of days that the rental equipment is on rent (the numerator) divided by the number of days that the rental equipment is available for rent (the denominator) during any period, have sharply declined since the beginning of 2016. For example, diesel generators—one of the most popular products in LTR's fleet—saw

utilization rates decline from 56.4% in the twelve month period ending December 31, 2014 to 32.8% in the twelve month period ending December 31, 2015 to 19.9% in the twelve-month period ending June 30, 2016. The average day rate that LTR was able to charge for diesel generator rentals slipped from \$152 to \$131. Parallel trends can be seen across LTR's other rental product categories in the chart below.

34. As a result of the ongoing reductions in both equipment utilization rates and average daily rental rates, the Debtors' total revenue decreased \$29.0 million, or 67.3%, to \$14.1 million for the three months ended June 30, 2016, as compared to the corresponding quarter in 2015. The equipment rental division accounted for \$11.0 million, or 78.0%, of revenue for the three months ended June 30, 2016, as compared to \$31.4 million, or 72.9%, of revenue for the

corresponding quarter in 2015. The service division accounted for \$3.1 million, or 22.0%, of revenue for the three months ended June 30, 2016, as compared to \$11.7 million, or 27.1% of revenue for the corresponding quarter in 2015.

B. Proactive Approach to Addressing Liquidity Constraints

35. In response to deteriorating market conditions, the Debtors commenced various cost-saving initiatives and other strategic restructuring efforts in 2015 and year-to-date 2016. The Debtors have reduced employee headcount by approximately 360 employees (58%) from year-end 2014 levels. In addition to employee headcount reductions, the Debtors instituted a number of cost-saving and restructuring measures, including:

- reducing wages company-wide by 10%;
- suspending payments under incentive programs;
- reducing entitlements under its 401(k) program;
- increasing employee contribution rates for medical benefit program;
- eliminating a number of mid-level management positions in both branch offices and headquarters;
- closing unprofitable branches;
- consolidating satellite locations into regional branches;
- discontinuing its unprofitable water transfer business;
- renegotiating certain supplier arrangements to reduce operating costs;
- consolidating supplier purchases for better pricing; and
- suspending interest payments with respect to the Old Notes beginning August 1, 2016.

36. Recognizing that a near-term solution to their liquidity constraints may not be achievable without a more comprehensive restructuring of their liabilities, the Debtors sought external strategic advice and assistance. In the months leading up to the filing of the Plan, LTR engaged Credit Suisse as investment banker, and Proskauer Rose LLP, its long-time transactional counsel, to analyse its financial condition and assist LTR in pursuing restructuring options to address its liquidity challenges. In May 2016, Credit Suisse presented a number of restructuring alternatives to LTR's board, which included (i) a comprehensive recapitalization, (ii) a new money plan, which would include a partial equitization, an exchange of Old Notes for new notes and a new equity contribution from the existing stockholders, and (iii) an out-of-court exchange offer that would replace the Old Notes with new PIK notes. The paths presented to LTR were all highly dependent on the willingness of the holders of the Old Notes to engage in discussions on the potential transactions.

37. Ultimately, such holders were willing to engage in those discussions, and the Debtors and the Restructuring Support Parties began a series of good-faith, arms-length

negotiations over the terms of a restructuring that could be accomplished by an out-of-court exchange offer (or combined with a possible pre-pack (otherwise known as a stapled pre-pack)). Unfortunately, time interceded, and the length of these negotiations meant that the exchange offer could not be fully solicited and closed before the expiration of the grace period on the pending interest payment on the Old Notes. At this point, in late-July 2016, LTR pivoted to pursue only a prepackaged chapter 11 plan of reorganization largely incorporating the same terms as the exchange offer.

38. The rationale behind both the exchange offer and the proposed prepackaged chapter 11 plan is to complete a financial restructuring that minimizes disruption to LTR's operations. In crafting the Plan, the Debtors and the Restructuring Support Parties made a deliberate effort to ensure that trade creditors, employees, and other key constituencies would not be impacted and LTR would continue to do business in the ordinary course. The First Day Motions will prevent the Debtors from having to change their accounting procedures and cease payments to creditors in the ordinary course. The First Day Motions are therefore consistent with the underlying rationale of the Plan and are crucial to ensuring that there will not be any unnecessary disruption in the Debtors' operations.

C. The Restructuring Support Agreement

39. On August 8, 2016, the Debtors entered into the Restructuring Support Agreement with (i) certain beneficial holders, or investment advisors or managers for the account of beneficial holders, of more than 80% of the amount of the Old Notes, (ii) Clairvest Equity Partners III Limited Partnership, CEP III Co-investment Limited Partnership, Mojopa, Ltd. and Avary Family Limited Partnership, as holders of approximately 90.1% of the Investco Common Interests, (iii) Keith Muncy, Pat Bond, Mark Beckstrom and Nina Valles, as holders of 100% of

the Investco Preferred Interests, and (iv) Stepstone Capital Partners III, L.P. and its affiliated entities listed on the signature pages thereto, Allstate Insurance Company and its affiliated entities listed on the signature pages thereto, and USS-Constitution Co-Investment Fund II, LP and its affiliated entities listed on the signature pages thereto, as holders of 100% of the Investco Convertible Preferred Interests.

40. Under the terms of the RSA, the holders of the Old Notes have agreed, among others things, (a) to support and take all reasonable actions necessary to consummate the restructuring and the Plan in a timely manner, (b) to timely vote all of its claims to accept the Plan, and (c) to support and take all reasonable actions necessary to facilitate the solicitation of votes on the Plan, approval of this Disclosure Statement, and confirmation and consummation of the Plan. The Restructuring Support Agreement may be terminated, among other reasons, based upon the failure to satisfy certain requirements and milestones generally related to progress (or lack thereof) toward confirmation and consummation of the Plan.

D. Operating in Bankruptcy for a Long Period of Time May Harm the Debtors' Businesses

41. The Debtors' future results will be dependent upon the successful confirmation and implementation of a plan of reorganization. A prolonged period of operating under Bankruptcy Court protection could have a material adverse effect on the Debtors' businesses, financial condition, results of operations, and liquidity, including, among other things:

- Senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations;
- It may become more difficult to retain management and other key personnel necessary to the success and growth of the Debtors' businesses;
- It may become more likely that customers and suppliers will lose confidence in the Debtors' ability to reorganize their businesses successfully and will seek to establish alternative commercial relationships; and

- The Debtors will be required to incur substantial costs for professional fees and other expenses associated with the administration of the Chapter 11 Cases.

42. Significantly, as noted above, the Debtors have not sought new postpetition financing based on their assessment that the \$19.2 million cash on hand is sufficient to provide for their liquidity needs under a streamlined chapter 11 prepackaged proceeding. If the Debtors are forced to seek DIP financing, and the Debtors are unable to obtain final approval of such financing on favorable terms or at all, the chances of successfully reorganizing the Debtors' businesses may be seriously jeopardized, the likelihood that the Debtors will instead be required to liquidate or sell their assets may be increased, and, as a result, creditor recoveries may be significantly impaired. Therefore, a prolonged stay in chapter 11 would be harmful to the Debtors' reorganization and operational prospects.

III. Relief Sought in the Debtors' First Day Motions

43. Contemporaneously herewith, the Debtors filed numerous First Day Motions in these chapter 11 cases seeking orders granting various forms of relief intended to provide stability and facilitate the Debtors' continued operations and the efficient administration of these chapter 11 cases, as well as ensuring the swift consummation of its prepackaged chapter 11 plan. 44. I have read and understand each of the First Day Motions and the relief requested therein. Based on my review, and to the best of my knowledge and belief, the factual statements contained in each of the First Day Motions are true and accurate and each such factual statement is incorporated herein by reference. I believe that the relief requested in the First Day Motions is necessary, in the best interests of the Debtors’ estates, their creditors, and all other parties in interest, and will allow the Debtors to operate with minimal disruption during the pendency of these chapter 11 cases. Failure to grant the relief requested in any of the First Day Motions may result in immediate and irreparable harm to the Debtors, their businesses, and their estates. A description of the relief requested and the facts supporting each of the First Day Motions is

detailed in Exhibit A. Accordingly, for the reasons set forth herein and in each respective First Day Motion, the Court should grant the relief requested in each of the First Day Motions.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information and belief.

Evidentiary Support for First Day Motions

EVIDENTIARY SUPPORT FOR FIRST DAY MOTIONS¹

I. Administrative Motions

A. Debtors' Emergency Motion for Entry of an Order Directing Joint Administration of Chapter 11 Cases and Granting Related Relief (the "Joint Administration Motion").

1. Pursuant to the Joint Administration Motion, the Debtors request entry of an order: (a) directing joint administration of these chapter 11 cases for procedural purposes only, and (b) granting related relief. Specifically, the Debtors request that the Court maintain one file and one docket for all of the jointly-administered cases under the case of Light Tower Rentals, Inc., and that the cases be administered under a consolidated caption.

2. Joint administration of these chapter 11 cases will provide significant administrative convenience without harming the substantive rights of any party in interest. Many of the motions, hearings, and orders in these chapter 11 cases will affect each and every Debtor entity. The entry of an order directing joint administration of these chapter 11 cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration of these chapter 11 cases, for procedural purposes only, under a single docket, will also ease the administrative burdens on the Court by allowing the Debtors' cases to be administered as a single joint proceeding instead of four independent chapter 11 cases. Accordingly, on behalf of the Debtors, I respectfully submit that the Joint Administration Motion should be approved.

B. Debtors' Emergency Motion for Entry of an Order (I) Scheduling a Combined Disclosure Statement Approval and Plan Confirmation Hearing, (II) Establishing a Plan and Disclosure Statement Objection Deadline and Related Procedures, (III) Approving the Solicitation Procedures, (IV) Approving the Confirmation Hearing Notice, (V) Directing that a Meeting of Creditors not be Convened, and (VI) Shortening the Notice Requirements Related Thereto (the "Scheduling Motion").

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the respective First Day Motions.

3. Pursuant to the Scheduling Motion, the Debtors request entry of an order that: (a) schedules a combined hearing (the “Confirmation Hearing”) on the adequacy of the Disclosure Statement and confirmation of the Plan; (b) establishes a deadline for objections to the adequacy of the Disclosure Statement and confirmation of the Plan (the “Objection Deadline”) and approves related procedures; (c) establishes a deadline to file a brief in support of confirmation of the Plan and reply to any objections (the “Reply Deadline”); (d) approves the solicitation procedures with respect to the Plan; (e) approves the form and manner of notice of the Confirmation Hearing (the “Notice”); (f) directs the United States Trustee for the Southern District of Texas (the “U.S. Trustee”) not to convene a meeting of creditors (the “Creditors’ Meeting”) under Bankruptcy Code section 341(e) if the Plan is confirmed within 75 days of the Petition Date; (g) shortens the notice period for the Confirmation Hearing and the Objection Deadline; and (h) authorizes the notice period for the Disclosure Statement and Confirmation Hearing to run simultaneously.

4. In connection with the foregoing, the Debtors request that the Court approve the following schedule of proposed dates (the “Confirmation Schedule”):

Event	Date²
Voting Record Date	August 18, 2016
Start of Solicitation	August 22, 2016
Petition Date	August 30, 2016
Notice Date ³	September 1, 2016
Voting Deadline	September 20, 2016
Objection Deadline	September 22, 2016
Reply Deadline	September 27, 2016
Confirmation Hearing	September 29, 2016

² Certain of the proposed dates are subject to the Court’s docket availability.

³ The “Notice Date” is the date by which the Notice will be served upon the Debtors’ creditor matrix and all interest holders of record.

5. The Debtors began soliciting votes on the Plan prior to the Petition Date in accordance with the Solicitation Procedures and the Bankruptcy Code. On August 22, 2016, the Debtors caused their solicitation agent, Prime Clerk LLC (the “Solicitation Agent”), to distribute packages containing the disclosure statement (as amended, supplemented, or otherwise modified from time to time, the “Disclosure Statement”), the joint prepackaged chapter 11 plan (as amended, supplemented, or otherwise modified from time to time, the “Plan”), the Debtors’ cover letter, and ballots (collectively, the “Solicitation Package”) to holders of claims and interests entitled to vote to accept or reject the Plan as of the Voting Record Date.⁴ Holders of claims or interests that received the Solicitation Package were directed to follow the instructions contained in the ballots (and described in the Disclosure Statement) to complete and submit their respective ballots to cast a vote to accept or reject the Plan. The Disclosure Statement and applicable ballot expressly provide that such holder needs to submit its ballot so that it is actually received by the Solicitation Agent on or before the Voting Deadline⁵ to be counted. Certain holders of claims and interests were not provided a Solicitation Package because such holders are either: (a) unimpaired under, and conclusively presumed to accept, the Plan under section 1126(f) of the Bankruptcy Code; or (b) impaired and entitled to receive no distribution on account of such claims or interests under the Plan, and therefore deemed to have rejected the Plan under section 1126(g) of the Bankruptcy Code.

6. The Debtors submit that the schedule proposed in the Scheduling Motion is in the best interests of the Debtors, their estates, and all stakeholders, as it will assist the Debtors in their efforts to efficiently and expeditiously exit chapter 11. Indeed, the transaction proposed in

⁴ The “Voting Record Date” is the date as of which a holder of record of a claim or interest entitled to vote on the Plan must have held such claim or interest to cast a vote to accept or reject the Plan.

⁵ The “Voting Deadline” is the date and time by which a holder of a claim or interest entitled to vote to accept or reject the Plan must have submitted its ballot casting its vote.

the Plan is the product of lengthy negotiations among the Debtors, certain Noteholders holding more than 80% of the Noteholder Claims in amount and certain Existing Equityholders holding approximately 100% of the Investco Convertible Preferred Interests, 100% of the Investco Preferred Interests, and 90.1% of the Investco Common Interests in amount. Prior to the commencement of solicitation, the Plan and the Disclosure Statement was subject to extensive review and comment by the Noteholders that are party to the RSA. In other words, many of the holders of claims and interests who were entitled to vote on the Plan participated in the plan negotiation process. Thus, I believe the solicitation period is sufficient and appropriate for holders of claims and interests entitled to vote on the Plan to make an informed decision to accept or reject the Plan, and respectfully submit that the Scheduling Motion should be approved.

- C. Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to File a Consolidated List of Creditors in Lieu of Submitting a Separate Mailing Matrix for Each Debtor and (II) Extending the Time and, Upon Plan Confirmation, Waiving the Requirement to File Schedules and Statements of Financial Affairs and Granting Related Relief (the "Schedules Waiver and Creditor Matrix Motion").

7. Pursuant to the Schedules Waiver and Creditor Matrix Motion, the Debtors seek entry of an order: (a) authorizing the Debtors to file a consolidated list of creditors in lieu of separate mailing matrices for each Debtor; (b) extending the time for the Debtors to file schedules of assets and liabilities and statements of financial affairs (collectively, the "Schedules and Statements") by 31 days, to October 14, 2016, for a total of 45 days from the Petition Date (the "Deadline"), without prejudice to the Debtors' right to request additional extensions should it become necessary; (c) waiving the requirement that the Debtors file the Schedules and Statements if confirmation occurs on or before the Deadline with such waiver effective as of the date the order confirming the proposed chapter 11 plan is entered; and (d) granting related relief.

8. Requiring the Debtors to segregate and convert their computerized records to a debtor-specific creditor matrix format would be an unnecessarily burdensome task and result in duplicate mailings. Further, the Debtors have many potential creditors, and the ordinary operation of the Debtors' businesses requires the Debtors to maintain voluminous books, records, and complex accounting systems. Thus, substantial time would be required for the Debtors to complete the Schedules and Statements. Accordingly, I believe that permitting the Debtors to maintain a single consolidated list of creditors, in lieu of filing a separate creditor matrix for each Debtor and extending the time, and upon Plan confirmation waiving the requirement, to file the Schedules and Statements will maximize the value of the Debtors' estates and is in the interests of all of the Debtors' stakeholders.

D. Debtors' Application for Appointment of Prime Clerk, LLC as Claims, Noticing and Solicitation Agent (the "Noticing and Solicitation Agent Application")

9. Pursuant to the Noticing and Solicitation Agent Application, the Debtors seek entry of an order appointing Prime Clerk as the Claims and Noticing Agent for the Debtors and their chapter 11 cases, to, among other tasks: (i) serve as the noticing agent to mail notices to the estates' creditors, equity security holders, and parties in interest; (ii) provide computerized claims, objection, solicitation, and balloting database services; and (iii) provide expertise, consultation, and assistance in claim and ballot processing and other administrative services with respect to the Debtors' bankruptcy cases, pursuant to the provisions of the Engagement Agreement (attached as Exhibit C to the Noticing and Solicitation Agent Application). The Debtors submit that Prime Clerk's rates are competitive and reasonable.

10. The Debtors anticipate that there will be thousands of persons and entities to be noticed in these cases. I submit that the appointment of a claims and noticing agent will provide the most effective and efficient means of, and relieve the Debtors of the administrative burden of,

noticing and soliciting and tabulating votes and is in the best interests of both the Debtors' estates and their creditors. Accordingly, on behalf of the Debtors, I respectfully submit that the Noticing and Solicitation Agent Application should be approved.

II. Financing Motions

- A.** Debtors' Emergency Motion for Entry of Interim and Final Orders: (I) Authorizing the Debtors to Use Cash Collateral; (II) Granting Adequate Protection to the Secured Notes Parties; and (III) Scheduling a Final Hearing (the "Cash Collateral Motion").

11. Pursuant to the Cash Collateral Motion, the Debtors seek entry of an interim order that authorizes the Debtors to use "cash collateral," as such term is defined in Bankruptcy Code section 363 and provide adequate protection to the Secured Notes Parties on the terms set forth in the Interim Order. Certain notable terms in the Interim Order are more particularly set forth in the Cash Collateral Motion, and include the following: (a) modifying the automatic stay to implement certain provisions in the Interim Order and to deliver any notices of termination of the RSA, (b) authorizing the Debtors to grant adequate protection liens (including liens on the proceeds of avoidance actions, but not the actions themselves) and superpriority claims to the Secured Notes Parties, as well as professional fees for the professionals retained by the Ad Hoc Committee of Secured Notes Parties; (c) waiving surcharge rights under Bankruptcy Code sections 506(c) or 552(b) or any other applicable principle of equity or law; (d) waiving any right to assert an "equities of the case" claim against the Secured Notes Parties under Bankruptcy Code section 552; (e) scheduling an Interim Hearing to consider entry of the Interim Order; (f) scheduling a Final Hearing to consider entry of the Final Order; and (g) waiving any applicable stay period as to the effectiveness and enforceability of the Interim Order or the Final Order (including a waiver pursuant to Bankruptcy Rule 6004(h)).

12. The relief requested in the Motion is critical to the Debtors' business and the efficient administration of these cases. As noted above, the Debtors have not sought new postpetition financing based on their assessment that its \$19.2 million of cash on hand is sufficient to provide for their liquidity needs in and what are anticipated to be streamlined chapter 11 prepackaged cases. As a result, the Debtors have an immediate need to obtain use of the Cash Collateral because it is the only source of funding during these cases. Given that the Debtors have already garnered support for their restructuring from nearly all stakeholders in the RSA, it is the Debtors' anticipation and hope that these cases move expeditiously toward confirmation and emergence. The 13-week cash-flow budget, attached as Exhibit 1 to the Interim Order, as well as the other relief sought by the Debtors in their first-day motions, reflects this desire.

13. The Cash Collateral will be used to, among other things, fund working capital, provide for general corporate purposes and permit the satisfaction of the costs and expenses of administering the Cases. Absent entry of this Interim Order, the Debtors' estates and reorganization efforts will be immediately and irreparably harmed. Accordingly, on behalf of the Debtors, I respectfully submit that the Cash Collateral Motion should be approved.

III. Operational Motions

- A.** Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Maintain the Cash Management System, (B) Continue Using Existing Checks and Business Forms, and (II) Granting Related Relief (the "Cash Management Motion").

14. Pursuant to the Cash Management Motion, the Debtors seek entry of the Order:

- (a) authorizing the Debtors to maintain the Bank Accounts and Cash Management System;
- (b) authorizing the Debtors to continue using their existing Business Forms; and (c) waiving the

requirement to comply with section 345 of the Bankruptcy Code, to the extent the Debtors' bank accounts do not strictly comply therewith.

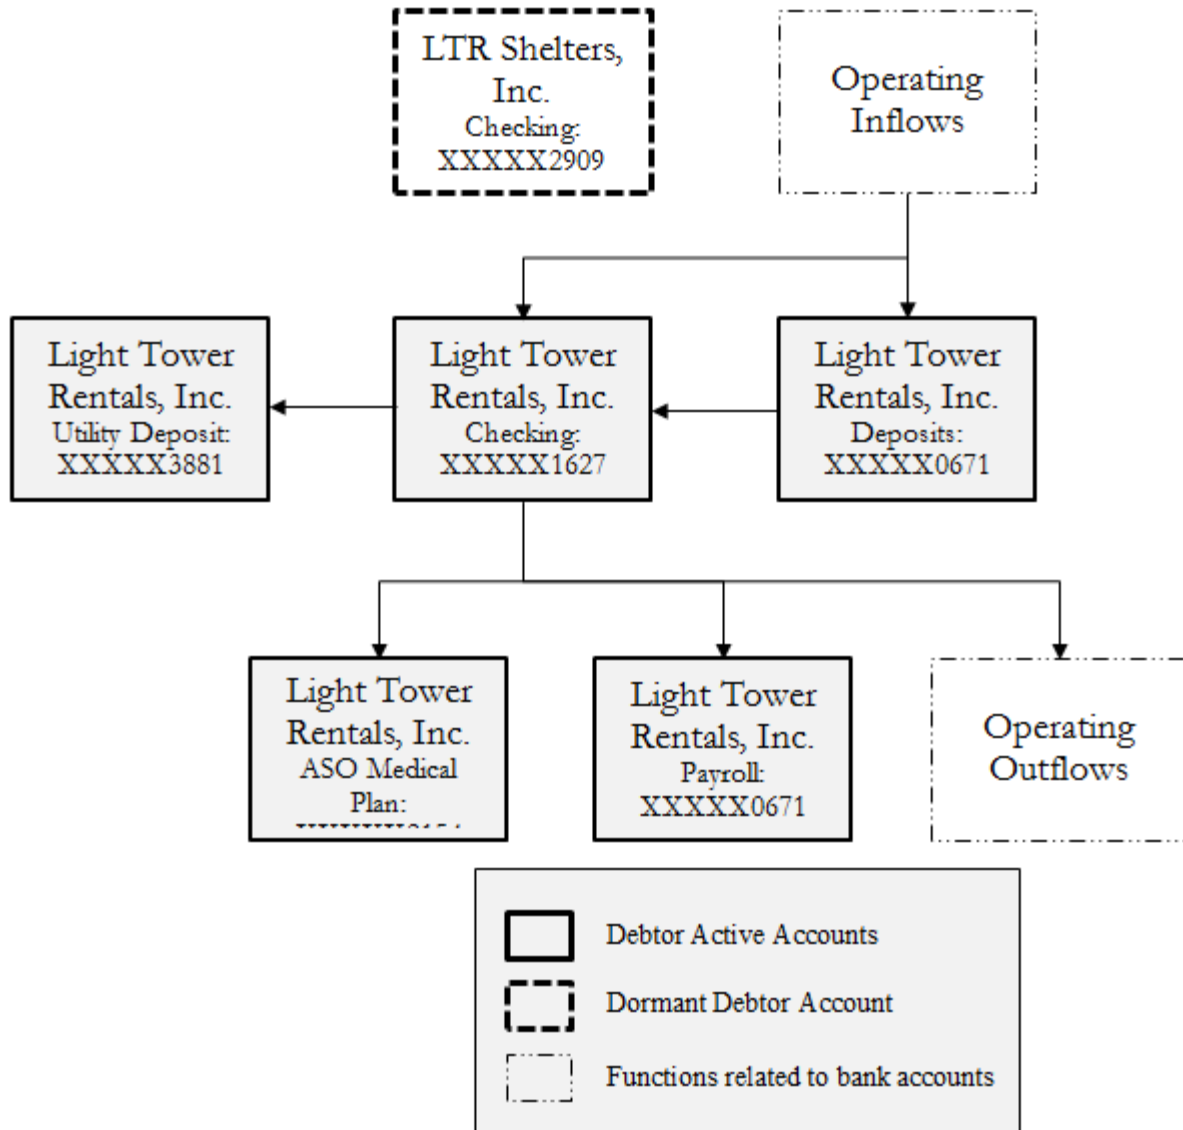

15. In the ordinary course of business, the Debtors maintain the Cash Management System. The Cash Management System is comprised of a total of six (6) Bank Accounts. All of the Debtors' Bank Accounts reside at Frost Bank. As of the Petition Date, the Debtors have approximately \$19.2 million in cash on hand available. The Debtors' Bank Accounts are described in the following tables:

	Debtor	Bank Name	Account Name	Account Number	Account Type
1	Light Tower Rentals, Inc.	Frost Bank	Light Tower Payroll	XXXXXX0671	Deposit
2	Light Tower Rentals, Inc.	Frost Bank	Light Tower Checking	XXXXXX1627	Deposit
3	Light Tower Rentals, Inc.	Frost Bank	Light Tower Deposits	XXXXXX 5262	Deposit
4	Light Tower Rentals, Inc.	Frost Bank	ASO Medical Plan	XXXXXX 2154	Deposit
5	Light Tower Rentals, Inc.	Frost Bank	Light Tower Utility Deposit	XXXXXX3881	Deposit
6	LTR Shelters, Inc.	Frost Bank	LTR Shelters Checking	XXXXXX 2909	Deposit

Account	Account Description
Light Tower Rentals, Inc. Checking – 1627 (the “ <u>Main Operating Account</u> ”)	The Main Operating Account is the primary concentration account for the Debtors' operational and financing activities. The Main Operating Account receives customer receipts via incoming wires, ACH, and ACH transfers from the Light Tower Rentals, Inc. Deposits account (the “ <u>Light Tower Deposits Account</u> ”) and is utilized to pay vendors and ordinary course payrolls to Debtor's employees.
Light Tower Rentals, Inc. Payroll – 0671 (the “ <u>The Light Tower Payroll Account</u> ”)	The Light Tower Payroll Account is used to cut physical payroll checks to the Debtors' employees. The account is utilized for the quick turnaround of any smaller denomination manual checks related to payroll matters. The company utilizes the services of ADP for the processing of its bi-weekly payrolls and the funding for the bi-weekly payrolls is drawn directly from the Main Operating Account.
Light Tower Rentals, Inc. Deposits – 5262	The Light Tower Deposits Account is a zero balance depository account which receives certain customer receipts via ACH and checks. Positive balances are transferred to the Main Operating

	Account on a daily basis.
Light Tower Rentals, Inc. ASO Medical Plan – 2154 (the “ <u>Medical Plan Account</u> ”)	The Medical Plan Account is funded from the Main Operating Account on notification from plan providers.
Light Tower Rentals, Inc. Utility Deposit – 3881 (the “ <u>Utility Deposit Account</u> ”)	Contemporaneously with this Motion, the Debtors filed a motion seeking to approve proposed adequate assurance of payment to certain utility providers (the “ <u>Utilities Motion</u> ”). This segregated account will hold the deposit proposed as adequate assurance for the benefit of the utility providers, in the event this Court approves the Utilities Motion.
LTR Shelters, Inc. Checking – 2909 (the “ <u>LTR Shelters Checking Account</u> ”)	The LTR Shelters Checking Account is a dormant checking account.

16. The Debtors use the Cash Management System to efficiently collect, transfer, and disburse funds generated from their operations. The Debtors’ treasury department maintains accounting controls with respect to each of the Bank Accounts and is able to accurately trace the funds through their Cash Management System to ensure that all transactions are adequately documented and readily ascertainable. The Debtors will maintain their books and records relating to the Cash Management System to the same extent such books and records were maintained prior to the Petition Date. Accordingly, the Debtors will be able to accurately document, record, and trace the transactions occurring within the Cash Management System for the benefit of all parties in interest. The diagram below illustrates the Debtors’ cash management system.

17. As part of the Cash Management System, the Debtors utilize numerous preprinted business forms in the ordinary course of their business, including, without limitation, letterhead, purchase orders, invoices, as well as preprinted and future checks (the “Business Forms”). To minimize expenses to their estates and avoid confusion on the part of employees, customers, and vendors during the pendency of these chapter 11 cases, the Debtors request that the Court authorize their continued use of all correspondence and Business Forms in existence immediately before the Petition Date, without reference to the Debtors’ status as debtors in possession, rather

than requiring the Debtors to incur the expense and delay of ordering entirely new business forms as required under the U.S. Trustee Guidelines. Further, to the extent the Debtors exhaust their existing supply of Business Forms during these chapter 11 cases, the Debtors will transition to using checks and other business forms with the designation “Debtors in Possession” and the corresponding bankruptcy case number on all such forms.

18. I believe that the relief requested in the Cash Management Motion is essential to the Debtors’ business and denial of such relief would severely disrupt the Debtors’ business. I believe that the relief requested in the Cash Management Motion is in the best interests of the Debtors’ estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their business in chapter 11. Accordingly, on behalf of the Debtors, I respectfully submit that the Cash Management Motion should be approved.

B. Debtors’ Emergency Motion For Entry Of Interim And Final Orders Authorizing To Pay Certain Prepetition Claims of Trade and Service Providers In The Ordinary Course Of Business and Granting Related Relief (the “Vendors Motion”)

19. Pursuant to the Vendors Motion, the Debtors seek entry of interim and final orders: (a) authorizing, but not directing, the Debtors to pay in the ordinary course of business allowed prepetition claims (collectively, the “Accounts Payable Claims”) of all trade and service providers (the “Trade and Service Providers”)⁶ in an amount up to approximately \$1.24 million on an interim basis and an additional approximately \$180,000 upon entry of the Final Order, which is comprised of (i) certain vendors that are critical to the Debtors’ business operations (as listed on Exhibit C, the “Critical Vendors”), (ii) the Mineral Contractors, (iii) the Mechanic Contractors; (iv) the Shippers, (v) the 503(b)(9) Claimants, and (vi) all remaining general

⁶ Contemporaneously with the filing of the Vendors Motion, the Debtors have filed certain other “first day” motions seeking authority to satisfy certain prepetition claims. The Vendors Motion is not duplicative of any such motion. As used herein, the term “Accounts Payable Claims” includes no obligation the Debtors seek to pay under separate motion. Nothing contained herein is intended or should be construed as an admission as to the validity of any claim against the Debtors or a waiver of the Debtors’ rights to dispute any asserted claim.

unsecured Trade and Service Providers; (b) in the Debtors' discretion, either (i) authorizing one of the Debtors' credit fuel suppliers to convert the Debtors' existing prepetition deposit with such supplier into a postpetition deposit, or (ii) authorizing the Debtors to provide the credit fuel supplier with a new deposit that will replace the Debtors' existing prepetition deposit (with the prepetition deposit to be returned to the Debtors); and (c) granting related relief. Notably, the Debtors are seeking relief to pay the prepetition claims of the preceding six categories of claimants under (a) above in the alternative; in other words, the Debtors request that a denial of the relief sought with respect to five or less of the preceding six categories of claimants will not affect or prejudice the relief sought with respect to the remaining categories of claimants.

20. The Debtors have relationships with approximately 1,000 Creditors that provide the Debtors goods and services necessary to run the Debtors' businesses. The Creditors provide the Debtors with goods and services in the ordinary course of business, including, among other things, fuel, parts and repairs for rental equipment, as well as information technology services, financial services, leases of property and equipment, maintenance and repair services of vehicle fleets, equipment tracking and performance monitoring services, environmental services, legal services, human resources services, and other basic business necessities for the operation of the Debtors' businesses. Correspondingly, the Debtors incur numerous fixed, liquidated, and undisputed payment obligations to the Creditors in the ordinary course of business.

21. In many cases, including where a Creditor may itself be facing financial hardship in the severely distressed oil and gas sector or where a Creditor may be able to contract with competitors of the Debtors, the Debtors' failure to pay Accounts Payable Claims may result in Creditors stopping work for or deliveries to the Debtors, which may severely disrupt the Debtors' businesses. That disruption may occur before the Debtors would be able to

successfully bring an action in the Court to compel performance or otherwise enforce the automatic stay. The Debtors' businesses rely heavily on sustained relationships with its Trade and Service Providers, which magnifies the impact of any disruption. Also, the Debtors interact with the Creditors pursuant to a variety of arrangements, including arrangements that are not executory in nature. The counterparty of such an arrangement may not agree to continue to do business with the Debtors unless paid on account of prepetition amounts due from the Debtors and would be under no obligation to do so. A description of the types of Trade and Service Providers and the amounts to be paid under the Vendors motion can be seen in the table below:

Category	Description	Approximate Amount Accrued as of Petition Date	Approximate Amount Due Within 21 Days
Critical Vendors	Represents Trade and Service Providers that, <i>inter alia</i> , are critical, cannot be readily and efficiently replaced by the Debtors, and the loss of whose services will cause damage disproportionate to the claims to be paid.	\$420,000	\$420,000
Mineral Contractors/Mechanics/Shippers	Represents Trade and Service Providers whose Accounts Payable Claims may give rise to liens under certain state and federal laws, and that are not Debtors or "affiliates" of the Debtors.	\$140,000	\$140,000
503(b)(9) Claimants	Represents Trade and Service Providers holding claims relating to goods delivered to the Debtors within twenty (20) days of the Petition Date.	\$520,000	\$520,000
Other Trade and Service Providers	Represents all other general unsecured not covered by the above categories, but not including creditors covered by relief sought in other "first day" motions.	\$340,000	\$160,000
Total		\$1.42 million	\$1.24 million

22. Although the total amount of accrued Accounts Payable Claims as of the Petition Date is approximately \$1.42 million, the Debtors seek authority to pay an amount up to \$1.24 million on an interim basis and the remaining \$180,000 upon entry of a Final Order.

23. The Debtors, in consultation with their professional advisors, meticulously reviewed a list of approximately 1,000 vendors to determine which vendors were absolutely critical to their business operations. Among other criteria, the Debtors considered a vendor to be critical only if the goods and services provided by such vendor cannot be readily and efficiently replaced, which is often the case in remote locations where the pool of available vendors is limited or when a highly-skilled work force is involved, or where alternatives are typically limited and even a short-term interruption of services or supplies would cause damage disproportionate to the amount of the claims. Additionally, the Debtors considered the importance of the vendor to the Debtors' business operations, the likelihood that the vendor would discontinue service if not timely paid, the ability of the vendor to assert liens (as discussed in more detail below), and whether the vendor was a party to a contract with the Debtors and any terms thereof (*i.e.*, short-term termination rights).

24. Each of the Critical Vendors listed on Exhibit C to the Vendors Motion provides goods and services that are critical to the Debtors' operations, including, *inter alia*, fuel and parts for rental equipment and vehicle fleets, communications, equipment tracking and performance monitoring services, and environmental services (collectively, the "Critical Goods and Services"). The Debtors submit that (a) each of the Critical Vendors are of great necessity on a go-forward basis and cannot be readily and efficiently replaced and (b) the failure to pay the Critical Vendors for the Critical Goods and Services would likely result in a severe disruption or

cessation of certain of the Debtors' operations, and thus, would undermine the Debtors' ongoing operations and the revenues derived therefrom.

25. In the ordinary course of business, the Debtors engage certain subcontractors to perform labor or supply materials and machinery essential to the Debtors' operations. The Debtors obtain such materials and services from various independent contractors and service providers (the "Mineral Contractors"), often on a project basis without long-term contracts.

26. I understand that, if the Debtors do not pay the amounts owed to the Mineral Contractors on a timely basis, the Mineral Contractors may assert liens on the materials, machinery, and supplies provided to the Debtors or refuse to deliver or release such materials and machinery until their invoices are paid. Even more significantly, the Mineral Contractors may assert liens on the leaseholds, oil or gas wells, or oil and gas leases of the Debtors' customers for whom they performed subcontracting services. The assertion of liens against the Debtors' customers as a result of not being paid would severely disrupt the Debtors' operations (if not shut them down entirely). This could potentially cost the Debtors a substantial amount of revenue and future business.

27. In the ordinary course of business, the Debtors have various equipment repaired by third party repair shops (electrical, mechanical, auto, etc.). Such third parties (the "Mechanic Contractors") may be in possession of the Debtors' property that they have already performed services on as of the Petition Date. I understand that, if the Debtors do not pay the amounts owed to the Mechanic Contractors on a timely basis, the Mechanic Contractors may assert liens on the Debtors' property in their possession or refuse to deliver or release such equipment until their invoices are paid. The assertion of liens against the Debtors' equipment as a result of not

being paid would severely disrupt the Debtors' operations. This could potentially cost the Debtors a substantial amount of revenue and future business.

28. In the ordinary course of business, the Debtors engage certain third-party shippers (the "Shippers") to store and transport the Debtors' inventory or materials ("Materials"). The Shippers regularly possess Materials belonging to the Debtors as well as the Debtors' customers. I understand that, if the Debtors were to default on any obligation to the Shippers, they may assert a lien, attempt to take possession of the Debtors' property, and/or bar the Debtors' access to Materials necessary to the operations of the Debtors' businesses.

29. The Debtors may have received certain goods or materials from various vendors (collectively, the "503(b)(9) Claimants") within the 20 days before the Petition Date. Certain of the Debtors' relationships with the 503(b)(9) Claimants are not governed by enforceable long-term contracts. Rather, the Debtors often obtain supplies on an order-by-order basis. Certain of these suppliers may be necessary for the Debtors' business operations.

30. One of the Debtors' credit fuel suppliers has notified the Debtors that it will stop providing the Debtors credit for fuel if neither of the following conditions are carried out: (i) the Debtors' existing prepetition deposit with such supplier is converted to a postpetition deposit (in an amount of \$50,000); or (ii) Debtors' existing prepetition deposit is replaced with a new postpetition deposit (again in an amount of \$50,000) with the prepetition deposit to be returned to the Debtors. If the credit fuel supplier were to stop providing the Debtors with credit for fuel, it will cause delay and interruption to the Debtors' business. On the other hand, complying with either of the credit fuel supplier's requests would have a limited effect on the Debtors' cash flow or financials

31. The requested relief in the Vendors Motion is warranted as it provides the Debtors with immediate benefits while not prejudicing any non-consenting class of creditors. The Debtors' businesses rely heavily on sustained relationships with its Trade and Service Providers. Failure to make timely payments would not only strain these relationships, it would compound the financial distress many of the Trade and Service Providers are already experiencing as participants in the oil and gas industry. Further, without the requested relief, the Debtors would have to endure the burden of overhauling their accounting system and could face other significant disruptions to their operations. Lastly, I attest and affirm to the veracity of Exhibit C to the Vendors Motion, which explains why the named Trade and Service Providers are critical to the Debtors' operations. Accordingly, on behalf of the Debtors, I respectfully submit that the Vendors Motion should be approved.

C. Debtors' Emergency Motion for Entry of Interim and Final Orders (A) Authorizing Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Compensation, (II) Maintain Employee Benefit Programs and Pay Related Administrative Obligations, and (III) Pay Independent Contractor Obligations, and (B) Directing Financial Institutions to Receive, Process, Honor, and Pay All Checks Presented for Payment and to Honor All Fund Transfer Requests Related to Such Obligations (the "Wages and Employee Benefits Motion").

32. Pursuant to the Wages and Employees Benefits Motion, the Debtors seek entry of interim and final orders (a) authorizing the Debtors to honor or pay (i) all prepetition obligations of the Debtors owing to or on behalf of Employees and Independent Contractors, whether accrued or currently due and payable, (ii) all prepetition amounts owed with respect to the Employee Benefits, whether accrued or currently due and payable, including payment of all applicable plan administrators and other service providers, and (iii) all prepetition amounts owed to (A) ADP for payroll processing services and (B) American Express in connection with, among other things, charges to the AmEx Cards; (b) authorizing the Debtors to continue certain

Employee Benefits programs; and (c) directing all financial institutions to honor prepetition checks for payment (i) of the Employee Claims and the Independent Contractor Claims, (ii) on account of the Employee Benefits, and (iii) to ADP and American Express (collectively, the “Obligations”) and prohibiting such financial institutions from placing any holds on, or attempting to reverse, any transfers made to satisfy the Obligations.

33. In the ordinary course of business, the Debtors rely on the services of approximately 258 full-time Employees, 165 of which are hourly Employees and 93 of which are salaried Employees. The Employees provide a variety of management, administrative, operational, sales and other support services for the Debtors, including, but not limited to, mechanical repairs, equipment maintenance, sales, truck driving, accounting, logistics, marketing, and information technology. The Employees’ skills and knowledge of the Debtors’ infrastructure and operations are essential to the continued preservation of the Debtors’ business, and their ongoing, uninterrupted services are vital to the Debtors’ reorganization efforts.

34. The Debtors pay Employees’ wages, salaries, and other compensation on a biweekly basis. The Debtors’ aggregate biweekly payroll is approximately \$790,000. As of the Petition Date, the Debtors estimate that Employees are owed an aggregate of approximately \$365,000 on account of accrued and unpaid wages earned prior to the Petition Date, all of which will become due in the first 21 days after the Petition Date. The Debtors seek authority to pay their Employees any Unpaid Wages in the ordinary course of business and consistent with past practice, and to continue their Employee Compensation practices on a postpetition basis in the ordinary course of the Debtors’ business.

35. 47. The Debtors pay approximately \$92,000 per year to ADP for the payroll services it provides to the Debtors (the “Payroll Fees”). As of the Petition Date, the Debtors owe

approximately \$1,750 on account of Payroll Fees. It is critically important that the Debtors be able to continue to compensate employees on the historical payroll schedule, and to do so requires the services of ADP. Accordingly, the Debtors seek authority to pay any unpaid prepetition Payroll Fees, and to continue paying Payroll Fees in the ordinary course, on a postpetition basis.

36. Further, it is essential to the continued operation of the Debtors' business that the Debtors be permitted to continue to make payments for business expenses and the charges incurred through use of the AmEx Cards. Additionally, Employees have incurred Reimbursable Expenses as business expenses on the Debtors' behalf and with the understanding that the Debtors would reimburse them. Accordingly, to avoid harming Employees who incurred Reimbursable Expenses, and who may become personally liable for such expenses reasonably incurred at the Debtors' direction, the Debtors request authority to (a) satisfy any prepetition amounts due and owing to American Express and honor any prepetition obligations related to Reimbursable Expenses, (b) pay Employees or applicable credit card companies on account of Reimbursable Expenses that have accrued prepetition or accrue postpetition but relate to the prepetition period, (c) continue use of the AmEx Cards program in place as of the Petition Date, and (d) continue to pay all amounts due and owing to American Express and reimburse Employees for Reimbursable Expenses in accordance with past practice and in the ordinary course of business.

37. In the ordinary course of business, the Debtors make various benefit plans available to their Employees. These benefit plans fall within the following categories: (a) paid time off, including vacation days, sick days, short-term disability pay, family medical leave, bereavement leave, jury duty leave, voting leave, and military leave; (b) medical, dental, vision,

and prescription drug benefits, life insurance, accidental death and dismemberment insurance, long-term disability, and workers' compensation; (c) 401(k) plan pension and savings benefits; (d) severance benefits; and (e) miscellaneous benefits. Although the Debtors maintain certain Employee Benefits plans themselves, other Employee Benefits plans, such as the Health and Welfare Benefits plans, are maintained by third parties. Through this Motion, the Debtors seek authority to pay any prepetition amounts owed on account of the Employee Benefits and to continue the Employee Benefits postpetition in accordance with prepetition practices.

38. In the ordinary course of business, in addition to the Employees, the Debtors rely on the services of approximately four cleaning contractors, who perform cleaning work for the Debtors as independent contractors (collectively, the "Independent Contractors"). The Debtors incur obligations to or on account of such work (the "Independent Contractor Obligations"). The Independent Contractors provide valuable cleaning services for both premises and certain rental products and are therefore an integral component to the Debtors' business. The Independent Contractors submit either weekly or monthly invoices to the Debtors and are paid in arrears.

39. The aggregate monthly payroll for the Independent Contractors is approximately \$5,000. The Debtors estimate that, as of the Petition Date, they owe approximately \$1,200 on account of the Independent Contractors Obligations. The Debtors seek authority to pay such prepetition Independent Contractors Obligations through this Motion. The Independent Contractors typically submit invoices in arrears, and thus, as of the Petition Date, the Debtors have not paid certain Independent Contractors for prepetition services.

40. Payment of the Obligations in the ordinary course of business would enable the Debtors to focus on completing a successful reorganization, which would benefit all parties in interest. Without this relief, otherwise loyal Employees and Independent Contractors may seek

other work opportunities, thereby putting at risk the Debtors' continued operation as a reorganized enterprise and which may cause irreparable harm. Payment of the Obligations will enable the Debtors to continue to operate their business in an economic and efficient manner without disruption. The total amount sought to be paid by this Motion is modest compared to the magnitude of the Debtors' overall business. Accordingly, on behalf of the Debtors, I respectfully submit that the Cash Management Motion should be approved.

D. Debtors' Emergency Motion for Entry of Interim and Final Orders Authorizing the Debtors to Pay Prepetition Amounts Arising under Insurance Policies and Granting Related Relief (the "Insurance Motion").

41. Pursuant to the Insurance Motion, the Debtors seek entry of interim and final, orders, subject to any Court-approved budget and any order authorizing the use of the Debtors' cash collateral: (a) authorizing the Debtors to pay any premiums, administrative fees, deductibles, and other obligations related to the Insurance Policies and related programs that accrued but remain unpaid as of the Petition Date; and (b) granting related relief.

42. In the ordinary course of business, the Debtors maintain certain insurance policies covering, *inter alia*, general liability, automobile liability, commercial property and contractors' equipment liability, workers compensation, director and officer liability, employment practices liability and pollution legal liability. The Insurance Policies are essential to the Debtors' ongoing operations.

43. Over the past nine months, the Debtors have paid an aggregate amount of approximately \$1.89 million in premiums, including financing charges, on account of the Insurance Policies. The Debtors paid a significant portion of the premiums associated with the Insurance Policies at inception and make additional premium payments in monthly installments. As of August 1, 2016, the Debtors make monthly payments on the Insurance Policies in an amount of approximately \$100,000. The Debtors renew their Insurance Policies annually on

November 1st of each year, with help of their insurance consultant (McGriff, Seibels & Williams of Texas, Inc.). I believe that the renewal of the Insurance Policies is in the ordinary course and the Debtors do not seek any further relief with respect to the renewal, which may occur during the pendency of these cases. As of the Petition Date, the Debtors believe that within the first 25 days after the Petition Date, \$101,275.40 in prepetition amounts is due and payable on account of the Insurance Policies.

44. The success of the Debtors' efforts to operate effectively and efficiently in chapter 11 will depend on the maintenance of the Insurance Policies on an uninterrupted basis. I understand that the Debtors' failure to pay the Insurance Claims, as and when they become due, could affect their ability to renew and maintain the Insurance Policies, which could have a material adverse effect on the Debtors' operations. If the Insurance Policies are allowed to lapse or are terminated, or if the Debtors default under the Insurance Policies based on their non-payment of Insurance Claims, the Debtors could be exposed to substantial liability for damages resulting to persons and property of the Debtors and others. This exposure would negatively impact the Debtors' ability to operate in chapter 11. Additionally, to ensure the retention of qualified and dedicated senior management, the Debtors must continue the directors' and officers' liability policies. Accordingly, on behalf of the Debtors, I respectfully submit that the Insurance Motion should be approved.

E. Debtors' Emergency Motion for Entry of Interim and Final Orders Authorizing, but not Directing, the Payment of Certain Prepetition Taxes and Fees and Granting Related Relief (the "Taxes Motion").

45. Pursuant to the Taxes Motion, the Debtors seek entry of the Interim Order and Final Order: (a) authorizing, but not directing, the Debtors to remit and pay the Taxes and Fees to the Authorities, in an amount up to \$1.62 million; (b) authorizing, but not directing, the

Debtors to pay the Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis; and (c) granting related relief.⁷

46. In the ordinary course of business, the Debtors collect, withhold, and incur Taxes and Fees. The Debtors' failure to pay prepetition Taxes and Fees may cause the Authorities to take precipitous action, including, but not limited to, conducting audits, filing liens, preventing the Debtors from doing business in certain jurisdictions, seeking to lift the automatic stay, or pursuing payment of the Taxes and Fees from the Debtors' officers and directors, all of which would greatly disrupt the Debtors' operations and ability to focus on their reorganization efforts. Further, claims for certain of the Taxes and Fees are or may be priority claims entitled to payment before general unsecured claims.

47. I believe that the relief requested in the Taxes Motion is in the best interests of the Debtors' estates, their creditors, and all other parties in interest, and will enable the Debtors to continue to operate their business in chapter 11 without disruption. Accordingly, on behalf of the Debtors, I respectfully submit that the Taxes Motion should be approved.

F. Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Approving Proposed Adequate Assurance of Payment for Future Utility Services, (II) Prohibiting Utility Companies from Altering, Refusing, or Discontinuing Services, and (III) Approving Proposed Procedures for Resolving Additional Assurance Requests (the "Utilities Motion").

48. Pursuant to the Utilities Motion, the Debtors seek entry of interim and final orders: (a) approving the Debtors' proposed adequate assurance of payment for future utility

⁷ The Debtors anticipate that they will emerge from chapter 11 before certain annual tax payments are due. Given the consequence of a failure to make a tax payment, and out of an abundance of caution, the Debtors are seeking the relief requested in the Taxes Motion should circumstances arise that would cause the case to be prolonged. Furthermore, concurrently with the Taxes Motion, the Debtors filed the *Debtors' Emergency Motion for Entry of Interim and Final Orders (A) Authorizing the Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Compensation, (II) Maintain Employee Benefit Programs and Pay Related Administrative Obligations, and (III) Pay Independent Contractor Obligations, and (B) Directing Financial Institutions to Receive, Process, Honor, and Pay All Checks Presented for Payment and to Honor All Fund Transfer Requests Related to Such Obligations*, seeking authority from the court to remit approximately \$47,500 in prepetition Payroll Taxes and to continue remitting Payroll Taxes on a postpetition basis.

services; (b) prohibiting the Utilities from altering, refusing, or discontinuing services to the Debtors; (c) approving the Debtors' proposed procedures for resolving additional assurance requests; and (d) granting related relief.

49. In connection with the operation of their businesses and management of their properties, the Debtors obtain electricity, natural gas, propane, telecommunications, water, waste management (including sewer and trash), internet, cable, and other similar services from a number of utility companies or brokers. On average, the Debtors pay approximately \$150,000 each month for Utility Services, calculated as a historical average for the twelve (12) month period that ended July 31, 2016. Accordingly, the Debtors estimate that their cost for Utility Services during the next 30 days (not including any deposits to be paid) will be approximately \$150,000. To provide additional assurance of payment, the Debtors propose to deposit into a segregated account the \$75,000 Adequate Assurance Deposit, which represents an amount equal to approximately one half of the Debtors' average monthly cost of Utility Services (calculated based on the Debtor's average utility expenses over the twelve months ended July 31, 2016), for the benefit of the Utility Companies and for the duration of these chapter 11 cases and which may be applied to any postpetition defaults in payment to the Utility Companies.

50. Preserving Utility Services on an uninterrupted basis is essential to the Debtors' ongoing operations and, therefore, to the success of their reorganization. Indeed, any interruption in Utility Services, even for a brief period of time, would disrupt the Debtors' ability to continue its branch operations, which are necessary in the providing of the rental equipment and related services to the Debtor's customers. I believe this disruption would adversely impact customer relationships and result in a decline in the Debtors' revenues and profits. Such a result could seriously jeopardize the Debtors' reorganization efforts and, ultimately, value and creditor

recoveries. Accordingly, on behalf of the Debtors, I respectfully submit that the Utilities Motion should be approved as it is critical that Utility Services continue uninterrupted during these chapter 11 cases.

Exhibit B

The Restructuring Support Agreement

THIS RESTRUCTURING SUPPORT AGREEMENT IS NOT AN OFFER WITH RESPECT TO ANY SECURITIES OR A SOLICITATION OF ACCEPTANCES OF A CHAPTER 11 PLAN WITHIN THE MEANING OF SECTION 1125 OF THE BANKRUPTCY CODE. ANY SUCH OFFER OR SOLICITATION WILL COMPLY WITH ALL APPLICABLE SECURITIES LAWS AND/OR PROVISIONS OF THE BANKRUPTCY CODE. NOTHING CONTAINED IN THIS RESTRUCTURING SUPPORT AGREEMENT SHALL BE AN ADMISSION OF FACT OR LIABILITY OR, UNTIL THE OCCURRENCE OF THE EFFECTIVE DATE OF THIS AGREEMENT ON THE TERMS DESCRIBED HEREIN, DEEMED BINDING ON ANY OF THE PARTIES HERETO.

RESTRUCTURING SUPPORT AGREEMENT

This RESTRUCTURING SUPPORT AGREEMENT (as amended, supplemented or otherwise modified from time to time, this “**Agreement**”), dated as of August 8, 2016, is entered into by and among (i) LTR Holdco, Inc. (“**Parent**”), (ii) Light Tower Rentals, Inc. (the “**Issuer**”), (iii) LTR Investco, Inc. (“**Holdings**”), (iv) the subsidiary guarantors signatory hereto (the “**Subsidiary Guarantors**” and together with Parent, Holdings, the Issuer and their direct and indirect subsidiaries, the “**Company**”), (v) the undersigned beneficial holders, or investment advisors or managers for the account of beneficial holders (the “**Noteholders**” and together with their respective successors and permitted assigns and any subsequent Noteholder that becomes party hereto in accordance with the terms hereof, the “**Consenting Noteholders**”) of the 8.125% Senior Secured Notes due 2019 (the “**Senior Notes**”) issued by the Company, (vi) Clairvest Equity Partners III Limited Partnership, CEP III Co-investment Limited Partnership, Mojopa, Ltd. and Avary Family Limited Partnership (collectively, the “**Common Equity Stockholders**”), as current holders of approximately 90.1% of the Company’s common stock, (vii) Keith Muncy, Pat Bond, Mark Beckstrom and Nina Valles (collectively, the “**Senior Preferred Stockholders**”), and (viii) Stepstone Capital Partners III, L.P. and its affiliated entities listed on the signature pages hereto (collectively, “**Stepstone**”), Allstate Insurance Company and its affiliated entities listed on the signature pages hereto (collectively, “**Allstate**”) and USS-Constitution Co-Investment Fund II, LP and its affiliated entities listed on the signature pages hereto (collectively, “**Constitution**”), as holders of 100% of the Company’s convertible preferred stock (Stepstone, Allstate and Constitution, collectively, the “**Preferred Stockholders**”). The Company, each Consenting Noteholder, the Common Equity Stockholders, the Senior Preferred Stockholders, the Preferred Stockholders and any subsequent person or entity that becomes a party hereto in accordance with the terms hereof are referred herein as the “**Parties**” and individually as a “**Party**”.

WHEREAS, the Parties have agreed to a restructuring of the Company (the “**Restructuring**”) that will be implemented through a prepackaged plan of reorganization (the “**Plan**”) of the Company under chapter 11 of title 11 of the United States Code that would be filed by the Company in its capacity as a debtor and debtor in possession in connection with the commencement of cases in the United States Bankruptcy Court for the Southern District of Texas, Houston Division (the “**Chapter 11 Cases**”). The Restructuring will be consummated in accordance with the terms and conditions reflected in the term sheet attached hereto on Exhibit A (the “**Term Sheet**,” including any schedules and exhibits attached thereto, and as may be modified in accordance with Section 10 hereof). The Term Sheet is the product of arm’s length good faith discussions between the Parties hereto and their respective professionals. Notwithstanding anything in this Agreement, and for the avoidance of doubt, the board of

directors has not yet authorized the Company's filing for bankruptcy and any such filing by the Company will require approval of the board of directors;

WHEREAS, as of the date hereof, the Consenting Noteholders hold, in the aggregate, more than 80% of the aggregate outstanding principal amount of the Senior Notes issued by the Company under that certain Indenture, dated as of July 21, 2014 (as amended, modified or otherwise supplemented from time to time prior to the date hereof, the "**Indenture**"), by and among the Company, each of the guarantors party thereto and The Bank of New York Mellon Trust Company, N.A. as trustee and collateral agent (the "**Trustee**");

WHEREAS, the Parties desire to express to each other their mutual support and commitment in respect of the matters discussed in the Term Sheet and hereunder;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. Certain Definitions.

As used in this Agreement, the following terms have the following meanings:

(a) "Closing" means the consummation of the Plan.

(b) "Definitive Documents" means the documents (including any related orders, agreements, instruments, schedules or exhibits) that are contemplated by the Term Sheet and the Plan and that are otherwise necessary or desirable to implement, or otherwise relate to the Restructuring, including, the Plan (and the documents to be filed in supplement to the Plan (the "**Plan Supplement**")), the Warrant Agreement, the Indenture and this Agreement (together with any voting and solicitation related materials), and any motion seeking the approval thereof, the order of the Bankruptcy Court confirming the Plan, and definitive documentation relating to the Company's debtor-in-possession financing (if any), use of cash collateral, any exit financing, organizational documents, investor related agreements or other related documents, which shall contain terms and conditions consistent in all material respects with this Agreement and the Term Sheet and shall otherwise be acceptable in all respects to the Company and the Requisite Noteholders, in accordance with Section 7 hereof.

(c) "Material Adverse Effect" means any event, change, effect, occurrence, development, circumstance or change of fact occurring after the date hereof that has had, or would reasonably be expected to have, a material adverse effect on the business, results of operations, financial condition, assets or liabilities of the Company, taken as a whole.

(d) "Noteholder Claims" means any and all claims arising under the Indenture or the Senior Notes.

(e) “Plan Support Effective Date” means the date on which counterpart signature pages to this Agreement shall have been executed and delivered by (i) the Company, (ii) the Senior Preferred Stockholders, (iii) the Preferred Stockholders, (iv) the Common Equity Stockholders holding at least 90.1% of the Company’s common stock, and (v) Consenting Noteholders holding at least 66⅔% in aggregate principal amount outstanding of the Senior Notes.

(f) “Plan Support Period” means the period commencing on the Plan Support Effective Date and ending on the earlier of the (i) date on which this Agreement is terminated in accordance with Section 6 hereof and (ii) the effective date of the Plan (the “Effective Date”).

(g) “Requisite Noteholders” means, as of the date of determination, Consenting Noteholders holding at least 55% of the outstanding principal amount of the Senior Notes held by the Consenting Noteholders in the aggregate as of such date.

2. Term Sheet.

The Term Sheet is expressly incorporated herein by reference and made part of this Agreement as if fully set forth herein. The Term Sheet sets forth the material terms and conditions for the Plan; provided, however, the Term Sheet is supplemented by the terms and conditions of this Agreement. In the event of any inconsistency between the Term Sheet and this Agreement, this Agreement shall control.

3. Agreements of the Consenting Noteholders.

(a) Agreement to Support. Each of the Consenting Noteholders agrees, for the duration of the Plan Support Period, to support the Restructuring and the Plan and to act in good faith and take all reasonable actions necessary or reasonably requested by the Company to consummate the Restructuring and the Plan, as applicable, in a timely manner. Subject to the terms and conditions hereof, for the duration of the Plan Support Period, each Consenting Noteholder irrevocably agrees to, at the request of the Company, support the Company’s motions in bankruptcy implementing this Agreement, including the use of cash collateral and other first day motions.

(b) Voting. Each Consenting Noteholder agrees that, for the duration of the Plan Support Period, such Consenting Noteholder, so long as it is entitled to vote on the Plan and its vote has been properly solicited pursuant to Sections 1125(g) and 1126 of the Bankruptcy Code, shall:

(i) (A) timely vote or cause to be voted each of its Noteholder Claims to accept the Plan by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Plan on a timely basis following commencement of the solicitation of acceptances of the Plan in accordance with Sections 1125(g) and 1126 of the Bankruptcy Code, (B) not change or withdraw such vote (or cause or direct such vote to be changed or withdrawn); provided, however, that such vote may, upon written notice to the Company and the other Parties, be revoked (and, upon such revocation, deemed void *ab initio*) by any Consenting Noteholder at any time following termination of this

Agreement, (C) timely vote (or cause to be voted) its Noteholder Claims against, and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of, any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition, reorganization, merger or restructuring of the Company other than the Plan, or take any other action that is inconsistent with or that would reasonably be expected to prevent, interfere with, delay or impede the solicitation of votes on the Plan, approval of the Disclosure Statement, and the confirmation and consummation of the Plan, and (D) not opt-out of the releases under Article VIII of the Plan; and

(ii) support and take all reasonable actions necessary or reasonably requested by the Company to facilitate the solicitation of votes on the Plan, approval of the Disclosure Statement, and confirmation and consummation of the Plan (it being understood that the Consenting Noteholders shall not be required to incur any material costs, expense or liability in connection therewith).

(c) Transfers. Each Consenting Noteholder agrees that, for the duration of the Plan Support Period, such Consenting Noteholder shall not sell, transfer, loan, issue, pledge, hypothecate, assign or otherwise dispose of (other than ordinary course pledges and/or swaps) (each, a “**Transfer**”), directly or indirectly, in whole or in part, any of the Noteholder Claims or any option thereon or any right or interest therein or any other claims against or interests in the Company (including grant any proxies, deposit any Senior Notes or any other claims against or interests in the Company into a voting trust or entry into a voting agreement with respect to any such Senior Notes or such other claims against or interests in the Company), unless the transferee thereof either (i) is a Consenting Noteholder or (ii) prior to such Transfer, agrees in writing for the benefit of the Parties to become a Consenting Noteholder and to be bound by all of the terms of this Agreement applicable to Consenting Noteholders (including with respect to any and all claims or interests it already may hold against or in the Company prior to such Transfer) by executing a joinder agreement, a form of which is attached hereto as Exhibit B (a “**Joinder Agreement**”), and delivering an executed copy thereof within two (2) business days of such execution, to (i) Proskauer Rose LLP (“**Proskauer**”), as counsel to the Company, and (ii) Kirkland & Ellis LLP (“**Kirkland**”), as counsel to certain of the Consenting Noteholders, in which event (a) the transferee (including the Consenting Noteholder transferee, if applicable) shall be deemed to be a Consenting Noteholder hereunder to the extent of such transferred rights and obligations and (b) the transferor, solely with respect to the Senior Notes that were transferred, shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of such transferred rights and obligations. Each Consenting Noteholder agrees that any Transfer of any Noteholder Claims that does not comply with the terms and procedures set forth herein shall be deemed void *ab initio*, and the Company and each other Consenting Noteholder shall have the right to enforce the voiding of such Transfer.

(d) Additional Noteholder Claims. To the extent any Consenting Noteholder acquires additional Noteholder Claims or equity interests (preferred and/or common), then, in each case, each such Consenting Noteholder shall promptly notify Proskauer and

Kirkland, and each such Consenting Noteholder agrees that such Noteholder Claims or other claims or equity interests shall be subject to this Agreement, and that, for the duration of the Plan Support Period, it shall vote (or cause to be voted) such Noteholder Claims or equity interests (preferred and/or common) (in each case, to the extent still held by it or on its behalf at the time of such vote) in a manner consistent with Sections 3(a) and 3(b) hereof.

(e) No-Action by Consenting Noteholders. Each of the Consenting Noteholders agrees, for the duration of the Plan Support Period, not to take any action (or encourage or instruct any other party, including any agent or indenture trustee, to take any action) in respect of any potential, actual, or alleged occurrence of any “Default” or “Event of Default” under the Indenture that would be triggered as a result of the execution of this Agreement, the commencement of the Chapter 11 Cases, or the undertaking by the Company to implement the Restructuring through the Chapter 11 Cases.

4. Agreements of the Company.

(a) Affirmative Covenants. The Company agrees that, for the duration of the Plan Support Period, the Company shall, and shall cause each of its direct and indirect subsidiaries to, (and the Common Equity Stockholders and Preferred Stockholders shall cause the Company to) directly or indirectly, do the following:

(i) do all things necessary and appropriate in furtherance of the Restructuring, including, without limitation, (A) commencing solicitation on the Plan within the time frames contemplated herein, (B) commencing the Chapter 11 Cases on or before August 31, 2016 (the “*Outside Petition Date*,” and the actual commencement date, the “*Petition Date*”) and completing and filing, within the timeframes contemplated herein, the Plan, Disclosure Statement and the other Definitive Documents, which documents shall contain terms and conditions consistent in all material respects with the Term Sheet and shall otherwise be acceptable to the Requisite Noteholders, and distributing such documents to the legal and financial advisors for the Consenting Noteholders and affording reasonable opportunity to comment and review in advance of any filing thereof, and use commercially reasonable efforts to obtain orders of the Bankruptcy Court approving the Disclosure Statement and confirming the Plan within the timeframes contemplated by this Agreement; (ii) use commercially reasonable efforts to obtain any and all required regulatory and/or third-party approvals for the Restructuring embodied in the Plan, if any; and (iii) not take any action that is inconsistent with, or is intended or is likely to interfere with, consummation of the Restructuring;

(ii) subject to Section 4(b), continue to operate its businesses in the ordinary course of business consistent with past practice, and confer with the Requisite Noteholders and their representatives, as reasonably requested, to report on operational matters and the general status of ongoing operations. Notwithstanding the generality of the foregoing, the Company shall, except as expressly contemplated by this Agreement or with the prior written consent of the Requisite Noteholders and, subject to applicable bankruptcy law, use commercially reasonable efforts consistent with the Restructuring to,

13. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief (including attorneys fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy, including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder. Notwithstanding anything that may be expressed or implied in this Agreement, each of the Parties hereto covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, general or limited partner or equity holder of any Consenting Noteholder or of any affiliate or assignee thereof, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future officer, agent or employee of any Consenting Noteholder or any current or future member of any Consenting Noteholder or any current or future director, officer, employee, partner or member of any Consenting Noteholder or of any affiliate or assignee thereof, as such for any obligation of any Consenting Noteholder under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

15. Headings.

The headings of the Sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

16. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 16 shall be deemed to permit Transfers of the Senior Notes or claims arising under the Senior Notes other than in accordance with the express terms of this Agreement. If any provision of this Agreement, or the application of any such provision to any person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible. The agreements, representations and obligations of the Parties are, in all respects, ratable and several and neither joint nor joint and several.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

18. Prior Negotiations; Entire Agreement.

This Agreement, including the exhibits and schedules hereto (and including the Term Sheet), constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and each Consenting Noteholder shall continue in full force and effect.

21. Reservation of Rights; No Admission.

Nothing contained herein shall (i) limit (A) the ability of any Consenting Noteholder to consult with other Consenting Noteholders or the Company, subject to the terms of any nondisclosure agreement entered into with the Company or (B) the rights of any Consenting Noteholder under any applicable bankruptcy, insolvency, foreclosure or similar proceeding, including, without limitation, appearing as a party in interest in any matter to be adjudicated in order to be heard concerning any matter arising in the Chapter 11 Cases, in each case, so long as such consultation or appearance is consistent with such Consenting Noteholder's obligations hereunder or under the terms of the Plan and are not for the purpose of hindering, delaying or preventing the confirmation or consummation of the Plan; (ii) limit the ability of any Consenting Noteholder to sell or enter into any transactions in connection with the Senior Notes or any other claims against or interests in the Company, subject to the terms of Section 3(d) hereof or any nondisclosure agreement entered into with the Company; or (iii) limit the rights of any Consenting Noteholder under the Indenture, or any agreements executed in connection with the Indenture or constitute a waiver or amendment of any provision of the Indenture, or any agreements executed in connection with the Indenture, subject to the terms of Section 3(a) or (e) hereof.

Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of each of the Parties to protect and preserve its rights, remedies and interests, including without limitation, its claims against any of the other Parties (or their respective affiliates or subsidiaries) or its full participation in any bankruptcy case filed by the Company or any of its affiliates and subsidiaries. This Agreement and the Term Sheet are part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Rule 408 of the Federal Rule of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms. This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

22. Relationship Among Parties.

It is understood and agreed that no Consenting Noteholder has any duty of trust or confidence in any kind or form with any other Consenting Noteholder, and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Noteholder may trade in the Senior Notes, subject to the limitations in Section 3, or other debt or equity securities of the Company without the consent of the Company or any other Consenting Noteholder, subject to applicable securities laws, the terms of this Agreement and any nondisclosure agreement entered into with the Company; provided, however, that no Consenting Noteholder shall have any responsibility for any such trading to any other entity by virtue of this Agreement. No prior history, pattern or practice of sharing confidences among or between the Consenting Noteholders shall in any way affect or negate the foregoing understanding and agreement.

Notwithstanding anything to the contrary herein, nothing in this Agreement shall require any Consenting Noteholder or representative of a Consenting Noteholder that becomes a member of a statutory committee that may be established in the Chapter 11 Cases to take any action, or to refrain from taking any action, in such person's capacity as a statutory committee member; provided, however, that nothing in this Agreement shall be construed as requiring any Consenting Noteholder to serve on any statutory committee in the Chapter 11 Cases.

23. No Solicitation; Representation by Counsel; Adequate Information.

This Agreement is not and shall not be deemed to be a solicitation for votes in favor of the Plan in the Chapter 11 Cases. The acceptances of the Consenting Noteholders with respect to the Plan will not be solicited until such Consenting Noteholder has received the Disclosure Statement and related ballots and solicitation materials, each as subsequently approved by the Bankruptcy Court.

Each Party acknowledges that it has had an opportunity to receive information from the Company and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

Although none of the Parties intends that this Agreement should constitute, and they each believe it does not constitute, a solicitation or acceptance of a chapter 11 plan of reorganization or an offering of securities, each Consenting Noteholder acknowledges and agrees and represents to the Company that it is an "accredited investor" as such term is defined in Rule 501(a) of the Securities Act of 1933 or a registered investment advisor under the Investment Advisors Act of 1940. Any offer or solicitation will be made only in compliance with all applicable securities laws and provisions of the Bankruptcy Code.

24. Independent Due Diligence and Decision Making.

Each Party hereby confirms that it is (a) a sophisticated party with respect to the matters that are the subject of this Agreement, (b) has had the opportunity to be represented and advised by legal counsel in connection with this Agreement, (c) has adequate information concerning the matters that are the subject of this Agreement, and (d) has independently and without reliance upon any other Party hereto, or any of their affiliates, or any officer, employee, agent or representative thereof, and based on such information as it has deemed appropriate, made its own analysis and decision to enter into this Agreement, except that it has relied upon each other Party's express representations, warranties, and covenants in this Agreement, which it enters, or as to which it acknowledges and agrees voluntarily and of its own choice and not under coercion or duress.
